

Cryolipolysis Body Slimming Machine With Adjustable Pressure / Pulse Mode

Our Product Introduction

Basic Information

- Place of Origin: China Guangzhou
- Brand Name: Laser freezing weight loss machine
- Certification: CE
- Model Number: v10
- Minimum Order Quantity: 1
- Price: confer
- Packaging Details: Standard export packing
- Delivery Time: 5-8days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 Piece/Pieces per Month

Product Specification

- Name: Cryolipolysis Body Slimming Machine
- Handle Screen: 3.5inch
- Work Model: Pulse
- Frozen Head Pressure: 0-100kpa
- Temperature: -15~5 °C
- Type: Slimming Machine
- Lipolaser: Diodes Liposlim For Fat Removal
- Functions: Weight Loss
- Treatment Areas: Abdomen, Thighs, Arms, Love Handles, Back
- Highlight: Cryolipolysis Body Slimming Machine, Cryo Weight Loss Machine

Advanced Certified Slimming Machine Fat Freezing Machine With Adjustable Pressure And Pulse Mode

Product Description:

The Cryolipolysis Slimming Machine works on a pulse model that enhances the treatment process. The freezing temperature of the machine ranges from -15 to 5 degrees Celsius, which is an optimal range for effective treatment. The treatment areas for this machine include the abdomen, thighs, arms, love handles, and back, making it a versatile and comprehensive solution for your body shaping needs.

If you are looking for a non-invasive solution to lose weight and shape your body, the Cryolipolysis Slimming Machine is the perfect option for you. This machine uses the latest technology to freeze and eliminate unwanted fat cells in the treated area, resulting in a visible reduction in fat and a slimmer body shape.

The Cryolipolysis Slimming Machine is an effective and reliable solution for weight loss that can help you achieve your desired body shape without any side effects. It is a safe and non-invasive alternative to traditional weight loss methods, such as dieting and exercise, and provides long-lasting results.

In conclusion, if you want to achieve a slimmer and more toned body, the Cryolipolysis Slimming Machine is the perfect solution for you. With its advanced freezing technology and versatile treatment areas, this machine offers a comprehensive solution for body shaping and weight loss.

Features:

Product Name: Cryolipolysis Slimming Machine

Lipolaser: Diodes Liposlim For Fat Removal

Laser Wavelength: Laser Diode AlGaInp 635-650nm

Frozen Head Pressure: 0-100kpa

Functions: Weight Loss

Cavitation: 40K

Technical Parameters:

Laser Wavelength	Laser Diode AlGaInp 635-650nm
Temperature	-15~5 °C
Handle Screen	3.5inch
Cavitation	40K
Work Model	Pulse
Certifications	CE
Functions	Weight Loss
Type	Slimming Machine
Treatment Areas	Abdomen, Thighs, Arms, Love Handles, Back
Lipolaser	Diodes Liposlim For Fat Removal

Functional large cavitation handle

Including Vacuum, cavitation , RF , BIO and infrared light

Use: For belly, buttocks, back

PRODUCT DISPLAY

Applications:

The Frozen Head Pressure of the Laser Freezing Weight Loss Machine ranges from 0-100kpa, allowing users to adjust the pressure according to their preferences and needs. The product also features Laser Diode ALGalnp 635-650nm, which enables it to deliver precise and effective results. Additionally, the Freezing Temperature of this product ranges from -15-5°C, making it ideal for use in various body shaping and slimming applications.

The Cryolipolysis Fat Freezing Machine is ideal for people who want to get rid of excess fat in various parts of their body, including the abdomen, thighs, arms, and buttocks. It is also suitable for people who want to achieve a more toned and sculpted body. The product is equipped with Diodes Liposlim for Fat Removal, which enables it to target and eliminate stubborn fat cells.

The Laser Freezing Weight Loss Machine is perfect for use in various scenarios, including beauty salons, gyms, and medical clinics. It is easy to use and can be adjusted to suit the needs of different users. Whether you are looking to get rid of excess fat, tone your body, or achieve your ideal body shape, this product is an excellent choice.

In conclusion, the Cryolipolysis Fat Freezing Machine is an effective and reliable product that can help you achieve your body shaping and slimming goals. With its advanced features, including Frozen Head Pressure, Laser Diode ALGalnp 635-650nm, and Diodes Liposlim for Fat Removal, this product is suitable for use in various applications. So, if you are looking for a high-quality Body Shaping Slimming Machine or Fat Freezing Machine, the Laser Freezing Weight Loss Machine is an excellent choice!
